Pursuant to this certificate, the distributor set forth herein ("Abbott Rubber, IL") has been fully and properly trained and is certified to assemble Kuriyama of America Inc. ("KOA") products in compliance with The Association for Hose & Accessories Distribution, Inc. ("NAHAD") Assembly Guidelines, the Kuriyama Industrial Hose Crimp Calculator, and 3-A 62-02 Sanitary Standard #3654, using only the hose and coupling products listed on said 3-A standard. Accordingly, Distributor agrees to defend, indemnify and hold harmless KOA from any and all claims, actions, losses or proceeding arising from Distributor's deviance or failure to strictly adhere to NAHAD Assembly Guidelines and 3-A 62-02 Sanitary Standards. Kuriyama reserves the right to revoke certification should such any deviances be determined.
